## Fire Weather Discussion

Fire Weather Forecast for southern Oregon and northern California  
National Weather Service Medford, OR  
540 AM PST Wed Jan 13 2021

.DISCUSSION... A few showers will linger over higher terrain this morning. Then, drier air will fill into the region later this afternoon. Fog will build in most of the valleys later tonight. Light east winds will begin to build over the area on Thursday. A very weak low will move into the region on Friday. The chance for wetting rain will be very low Friday through the weekend.
